

Not Classified as Hazardous according to criteria of NOHSC¹ and not Dangerous Goods according to the ADG Code²

1. Chemical product and company identification

Product Name: Aquaproof 4M

Company: Pasco Construction Solutions Pty Ltd
Address: 13 – 15 Brighton St Richmond Vic 3121
ACN: 115 503 163

Telephone: (03) 9429 9111
Facsimile: (03) 9429 6111
Emergency Telephone: (03) 9429 9111

Hazchem: None Allocated
UN Number: None Allocated
DG Class: None Allocated
Pack Group: None Allocated
Sub Risk: None Allocated

Proper Shipping Name: None Allocated
Product Use: APP Modified bituminous sheet membrane.

2. Composition / information on ingredients

Component	CAS No	Weight %
Ingredients deemed not to be hazardous	N/A	0-100%

3. Hazards Identification

Hazard Category: None

Risk Phrases None

Safety Phrases

Z	Keep out of reach of children
S24/25	Avoid contact with skin and eyes.
S37	Wear suitable gloves.
S51	Use only in well-ventilated areas.

4. First Aid Measures

Ingestion: This product is unlikely to be ingested in current state. Immediately rinse mouth with water. Seek medical attention. Do not induce vomiting unless directed by physician. Never give anything by mouth to an unconscious person.

Skin: This product is unlikely to be ingested in current state. If molten material falls on skin, do not attempt to remove. Cool with copious amounts of water, loosely bandage and seek immediate medical attention.

Inhalation: This product is unlikely to cause harm in its current state. However when heat is applied to this product toxic vapour may be emitted. Remove the source of contamination or move the victim to fresh air. Ensure airways are clear, if breathing difficulties persist and seek medical attention.

Eyes:	This product is unlikely to cause harm in its current state. In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes and seek medical attention.
Comments:	Treat according to person's condition and specifics of exposure. Advice to Doctor: Treat symptomatically.

5. Fire Fighting Measures

Flash Point:	271°C
Fire / Explosion standard:	This product is a combustible solid.
Suitable extinguishing media:	Extinguish with water fog (mist), CO ₂ , foam, dry powder.
Fire fighting procedures:	Self Contained Breathing Apparatus (SCBA) operated in positive pressure mode required when fighting bituminous fires.
Hazardous combustion products:	Thermal decomposition may give off toxic fumes.

6. Accidental release measures

- Avoid contact with skin and eyes, wear suitable protective clothing, gloves and eye protection.
- Prevent contamination of waterways and drains. For disposal, consult responsible authority regarding statutory requirements.

7. Handling and storage

- Store in a cool place. Do not allow to freeze.
- Wear protective clothing and avoid contact with skin and eyes.

8. Exposure controls / personal protection

Respiratory Protection:

Respiratory protection program meeting AS/NZS-1716 and AS/NZS-1715 must be followed whenever workplace conditions warrant a respirators use.

None required if airborne concentrations are maintained below the exposure limit.

Eye Protection:

Use chemical splash goggles (AS/NZS-1337) or approved equivalent. Eye protection must be compatible with respiratory protection system.

Hand Protection:

Impervious gloves; protective clothing as necessary to prevent skin contact.

Engineering Controls (Ventilation):

Use local exhaust ventilation sufficient to maintain exposure levels below exposure limit concentration.

9. Physical and chemical properties

Appearance:	Bituminous sheet in rolls
Colour:	Black
Ph:	N/A
Melting Point:	>100°C
Boiling Point:	232°C
Vapour Pressure:	N/A
Specific Gravity:	Approx. 1.1 -1.25
Flashpoint:	271°C
Solubility in water:	Insoluble

10. Stability and reactivity

Stability:	Considered stable under normal condition of use.
Hazardous decomposition products:	Thermal decomposition may produce carbon monoxide, carbon dioxide, oxides of nitrogen and other toxic fumes.
Hazardous polymerisation:	Will not occur.

11. Toxicological information

- No data available for this product.

12. Ecological information

- No data available for this product.

13. Disposal Considerations

- Collect and dispose of waste at an authorised disposal facility.
- Dispose of empty containers in accordance with federal, state and local laws.

14. Transport information

- Not classified as dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail.

15. Regulatory information

S-phrases:	
	Z Keep out of reach of children
	S24/25 Avoid contact with skin and eyes.
	S37 Wear suitable gloves.
	S51 Use only in well-ventilated areas.

16. Other information

¹National Occupational Health and Safety Commission – Aust.
